Our client: Genuine Parts Co. ("GPC")

Sir or madam:

There seems to be some problems with your website today. I was unable to do a FOIA request online today, so I am sending via email.

This firm represents defendant GPC in the above-referenced asbestos litigation matter, currently pending in Los Angeles County, CA. This is a request for records from the United States Environmental Protection Agency (EPA) pursuant to the Freedom of Information Act, 5 U.S.C. § 552 (FOIA).

FOIA REQUEST

We respectfully request that the EPA provide all documents (including but not limited to all permits and certifications) related to the presence of asbestos (including but not limited to asbestos remediation and abatement) for the following locations:

YEARS	LOCATION
1965-1967	South Shore Country Club 327 S. LaSalle Street Chicago, IL 60604
1965-1972	South Chicago Packing Co. 945 W. 38 th Street Chicago, IL 60609

This request covers any document that pertains to the presence of asbestos at the above locations at

any point. It includes, but is not limited to, any document referring or alluding in any way to asbestos or the potential for asbestos-containing products, asbestos testing, abatement, or remediation, any asbestos management plan proposed or initiated (whether or not conforming to EPA guidelines), national Emissions Standards for Hazardous Air Pollutants (or DC or state equivalent) records, and/or anything else related to asbestos at the locations listed above.

For the purposes of this request, the term "document" includes any kind of written, typewritten, or printed material and shall include, without limitation, notes, internal or external memoranda, letters, electronic mail, log entries, reports, telegrams, spreadsheets, databases, calendar entries, records, drafts, working papers, publications, or hard discs and printouts within EPA's possession, custody or control. This request includes all responsive documents in their entirety, including each attachment, enclosure and exhibit.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25.00. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and for litigation purposes. This information is not being sought for commercial purposes. Additionally, if access to the records requested herein will take longer than the standard time limit established by FOIA regulations (approx. 1 month), please contact me with information about when I can expect the requested copies.

If you deny any or all of the above requests, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal process available to me under the law.

Thank you for your courtesy and cooperation in this matter.
